“People don’t think about an ambulance until they need one”.

Journal News, November 2007

Dear Neighbor,

Nobody likes to think about having to use an ambulance, but through November of this year, over 200 Pound Ridge residents have needed us – and we were there, including:

48	Heart Attacks, Strokes & Unresponsive Patients
45	Injuries from Falls & Other Injuries
27	Motor Vehicle Accidents
19	Difficulty Breathing, Asthma, etc.
62	Other

We always want to be there to help everyone in the community, 24/7, however, we can only do it with your help. We would like to thank our many neighbors who have already responded to our November fundraising appeal. For those who haven’t yet made a donation, please put us at the top of your year end donation list. We are only able to serve our community with everyone’s help.

We hope all of you have a happy & healthy holiday season and send our best wishes for the new year.

Sincerely,

Amiel Peretz
President
