Pound Ridge Fire Dept.

Justin Brent, EMT

Pound Ridge Police Dept.

Tammy Caulkins, EMT

Zulma Fontan, EMT

Chief David Ryan, EMT

November 1, 2008

Dear Pound Ridge Neighbors and Friends,

Do you know what really happens when you request help from 911?

Twenty-three of your neighbors receive loud tones from radios in their homes or on their desks. Three or more of them, as needed, will stop whatever they are doing—or get up out of bed—and race to respond to your call for help. These men and women are just like you: they are moms and dads, lawyers and investors, contractors and artists—and they are willing to put your needs first, twenty-four hours a day.

The PRVAC also provides many non-emergency services, such as CPR and blood pressure clinics, educational programs for adults and children, and readiness for response in mass critical incidents. We help make our community a better and safer place to live.

Your Pound Ridge Ambulance Corps is all volunteer. We receive no funding from federal state or local taxes, nor do we receive monies from the local Police or Fire Departments. We depend on donations for equipment, insurance, training and the maintenance of our ambulances.

Our fund raising goal for this year is \$75,000. We appreciate your support—and count on it to be able to continue to help you!

Sincerely,

Johanna Steinberg
President
