YOU NEED US - WE NEED YOU

January 6, 2010

Dear Neighbor,

In 2009, the Pound Ridge Volunteer Ambulance Corps responded to 219 calls for help in our community, including heart attacks and strokes, motor vehicle accidents, general illnesses and injuries.

The Corps is comprised of 21 of your neighbors and friends who, when the call comes, get out of bed or drop whatever they're doing to come to your aid. Day or night, every day of the year.

We need your help as much as you need ours.

You may not be aware that we do not receive any funds from town taxes – your donations are our primary source of funding. We are grateful to all of you who have given in the past, but unfortunately only 490 of our 2350 Pound Ridge households and businesses have responded to our November appeal.

Let's work together this year for a safer, healthier town. If you have not yet made a donation, we urge you to do so. We'd like to have the backing of everyone in our community.

In addition, we'd like to offer you the opportunity to join with us in serving Pound Ridge as active responders. No prior experience is necessary – we'll provide all of the necessary training. I've been doing this for over 10 years, and find it to be a highly satisfying personal experience. Contact any PRVAC member or go to our website www.prvac.wordpress.com for more information.

We wish all of you a happy, healthy, and safe 2010.

Sincerely,

Pound Ridge Volunteer Ambulance Corps
Tammy Rainford, President
