

## RECORD-REVIEW "Talk of the Town"

SEPTEMBER 26, 2010

By **BONNI BRODNICK**

**W**ant to be a part of giving back to our town? The **Pound Ridge Ambulance Corps** is a volunteer organization that was started in April 1966 by five members of the Pound Ridge Lions Club. When calls for emergency help were being fielded to Mount Kisco and other neighboring towns, it was felt that the time had come to take care of our own. The Pound Ridge Ambulance Corps' first president, **Warren Everett**, used a converted Cadillac hearse as our town's first ambulance; and the current building on Westchester Avenue was built in 1975, which is when **Elaine Smith** (who, with her husband, **Larry**, give so much to our town) joined. She is still a dedicated member 35 years later. "What we do on the Ambulance Corps is one of the most important things we can do for our friends and neighbors," said **Tammy Rainford**, current president. "I get immense satisfaction from knowing that I can help in any emergency." The Ambulance Corps is in desperate need of new members, EMT's and drivers. All hours are open, especially during daytime. Free training is provided. For more information, call Tammy at home in the evening at 764-9107 or email [prvac@optonline.net](mailto:prvac@optonline.net). The Ambulance Corps is here for you. Let's be here for them.
